## CAN'T SAY TOO MUCH IN PRAISE OF HOLLAND

Every Newspaper Exchange In Different Parts Of The State Say Nice Things About This City

The aftermath of the Eagles convention was this week and it did not leave any bad taste in the mouth either. The fine words of comment given by the state papers from localities who sent delegates to the convention, have reached our exchange desk and to republish them would fill a newspaper. From Alpena one of the newspapers devoted two columns alone to Holland showing its advantages, its resorts, its sanitary conditions, paved streets manufacturing advantages and last but not east its hospitality.

It is safe to say that this city has never received a great amount of favorable advertising than it did in the past week, about the state by reason of the Eagles State Convention being held in Holland.

It is estimated by a conservative estimator that besides this advertising the guests left upward of between \$9,000 and \$10,000 in Holland besides making business for a good many firms, brought about by the fact that goods were needed and purchased by the Holland Eagles for the convention. The Eagles lodge paid out in checks today to different Holland people; for labor, material, laundry, clothing, printing, restaurants, lumber dealers, dry goods, bunnings, bands, etc. over \$950.00 all of which remains in Holland. This besides the amount which was left here by the visitors shows that a convention pays directly as well as indirectly and should be encouraged. Our Board of Trade and Hollands Businessmens Asso. should try and get more of them here regardless of whether they are a lodge or a Sunday school convention all should be welcomed with open arms.

To show further the appreciation and good will that our guests feel towards Holland and its businessmen. The following letter from Chas. W. Light who owns the Eureka Heating and Ventilating Co., of Saginaw and who is one of the leading businessmen of that city, writes as follows:

Saginaw, Mich, June 20, 1914  
Hon. Nicholas Whalin,  
Holland, Mich.

Dear Sir:

Before leaving Holland, I bought several copies of your local papers, covering the issues of the 16th, 17, 18, but I did not see anything in the items along the line we were speaking, concerning the remarks I made about the splendid treatment we received from the business men in regard to regular prices.

There are two reasons why I believe some emphasis should be made of this fact, first and principally, because they are entitled to thanks for so doing. Secondly, because we ought to save a few copies of such papers, mailing a copy later to those having in charge the arrangements for the next convention, that they may impress it upon their business firms and hotels that "hold ups" are not appreciated, and to inform them now very much we really appreciated not only the perfect weather and arrangements provided by the Holland Aerle for our recent convention, but also the extreme good treatment we received from the business men and citizens generally of Holland. Such matters are especially gratifying, and I assure you are greatly appreciated by those who, like myself like to mingle with "the boys" in fraternal, political, and other gatherings.

Very respectfully,  
Chas. W. Light.

## FROSTS DAMAGED CROP Agricultural Bureau Reports Effect Was Widespread

Section Director C. F. Schneider, of the agricultural bureau, in his weekly report on Michigan weather and crop conditions, says much damage was done by the frosts of last week.

Frost was general in the northern half of the lower peninsula and throughout the upper peninsula; there was much damage in the upper peninsula and the northern part of the lower peninsula to garden truck, corn and potatoes. In the central portions of the lower peninsula beans and early potatoes were slightly damaged.

Generally, however, wheat, rye, oats, meadows, pastures, fruit and garden truck are in splendid condition. Hay harvest in the southern counties is well advanced and wheat is ripening.

## BOARD OF PUBLIC WORKS MET LAST EVENING—APPROVE PUMPING STATION PLANS

The Board of Public Works met last evening and approved the plans for a new pumping station to be built on the newly proposed water site on 28th street. This will demand an outlay of about \$2600.

Bids for the station will be gone over on Monday evening.

## HOLLAND NOT GETTING GOOD ROADS SAYS DOCTOR

Zeeland Is Getting Trade Belonging To This City

Some of the residence north of Holland are complaining to the News that the good road, work branching out from Holland is going altogether to slow and it seems that the city is taking no interest in something that is of vital interest to them as well as the farmer who trades here. A certain country doctor came into the News office with blood in his eye stating that Zeeland was alive to its advantages and Holland was asleep. Says the doctor "Zeeland has eight miles of road graded and graveled north beyond Borculo and now in order to get ahead of Holland they started yesterday to grade and gravel west from the Borculo road in order to tap Crisp, New Holland, and Olive Center while all the roads going to Holland remains practically in an impassible condition." The doctor said that a businessman from Zeeland had told him that they were anxious to get ahead of Holland in the road building business in order to get the farmers accustomed to come to Zeeland and that the results are already apparent, Zeeland being filled with farmers on Wednesdays and Saturdays.

"Zeeland has not been idle to the south either," said the doctor "a road has been built south way into Drenthe and Overisel the garden stop of Michigan farmers giving a direct good road into Zeeland.

"While these farmers naturally be long in Holland, in order to get to this city they must pull their load through about two miles of deep sand on the road east of sixteenth street and rather than doing this they take the hard stone road already built to Zeeland thus avoiding the deep sand to Holland." The doctor says further that grading has at last started on the New Holland road but the gravel is needed and the farmers are ready to haul it.

"The farmers have shown their willingness to go ahead if only encouraged."

"He says that the man who is responsible for Zeeland getting such assistance is commissioner Cook and that he is doing his best for his own constituency and thus combined with the energetic Zeeland Businessmen and the farmers who are alive to their own interests they are getting the good roads which he claims Holland is not getting." There may be more "truth" than poetry" in the doctors contention. However we know one thing that our roads to the resorts were the first that should have received attention and commissioner Harrington has spent all his energies in getting one of the finest roads in the state on the south side of the bay something Holland has been begging for for several years. No doubt now that this is practically completed Holland's commissioner will bend his energies in other directions leading from Holland.

## FORMER BALL PLAYER SHERIFF CANDIDATE

Fifteen years ago the name of Frank Kitson was one of the most familiar names in the base ball world. An Allegan county boy, his performances were watched with interest by all Michigan ball fans. Kitson was in the big leagues many years. Unlike too many ball players he saved his money and when his ball playing days were over purchased a fine farm near his old home in Allegan County. Today he is considered one of the wealthiest farmers in his county.

Frank Kitson was induced some time ago to become a candidate for the Republican nomination of sheriff of Allegan county and he is making a lively canvass for the position.

If Frank Kitson makes as good an officer as he was a ball player Allegan county will be fortunate indeed should he be elected. There are a lot of old ball fans in this city and county who would like to assist Frank in his endeavors at the coming primaries. Reports from Allegan County say there is nothing to it but Kitson.

## THREE MEN WHO WERE GUESTS HERE WANT TO RUN FOR GOVERNOR OF STATE

Henry R. Pattengill who spoke here four weeks ago in the High school has decided to make the run for governor on the Progressive ticket. Chas. S. Osburne who was a guest at the graduating exercises of Hope College last week wants to run for governor on the Republican ticket. Governor Ferris who lectured to the high school pupils and the public this winter will no doubt run on the Democratic ticket for re-election. The Governor in his lectures here has made a very favorable impression.

## HOPE COLLEGE GETS BEQUEST OF \$20,000.00

Shares in Estate of Millions Left By Mrs. Morris K. Jessup.

New York, June 25—A bequest of \$20,000 to Hope College of Holland, Mich., is provided in the will of Mrs. Morris K. Jessup filed today. This sum is a part of millions of dollars which are left to public and ecclesiastical institutions and to Mrs. Jessup's relatives.

The American Museum of Natural History receives \$5,000,000 for research work; the Syrian Protestant college at Beirut, Syria, \$400,000; Yale university, \$300,000; Union Theological seminary, \$300,000 and the Y. M. C. A., \$250,000.

The American Sunday school union and the New York Mission and Tract society each received \$150,000; the Women's branch of the Latter Day \$100,000; the board of home missions of the Presbyterian church, \$150,000. The same sums, respectively go to the foreign missions board of that church, the women's hospital and Williams college.

## NEW INTERURBAN CAR WILL ALSO BE PUT ON THEN SUMMER SCHEDULE SATURDAY

Double Service to Interurban Resorts on Graham & Morton Boats

Summer schedule will go into effect Saturday on the Holland Interurban and the Graham and Morton boats, with double service on the cars to the resorts and across the lake. The steamer Puritan will make the day ran, the boat car leaving Grand Rapids at 8:46 a. m. and the boat leaving the Jenison pier at 10:45, to arrive in Chicago at 4 p. m. The City of Grand Rapids will be the night boat, the car leaving Grand Rapids at 8:40 p. m. and the boat sailing at 10:30, giving passengers 40 minutes in which to get settled.

From Chicago the Puritan will leave at 8:30 a. m., to arrive at the Jenison pier to catch the 5:20 train for Grand Rapids and at the Holland dock to connect with the 7:10 flyer for the city.

The City of Grand Rapids will leave Chicago at 9 a. m. to arrive at Jenison at 3 o'clock and Grand Rapids at 5:15 p. m. On Sundays the day boat will leave Jenison pier at 4:15 p. m. instead of in the morning, the train leaving here at 3 p. m. The summer schedule on the interurban will call for flyers leaving the resorts for Grand Rapids at 6:50, 7:50, and 8:50 a. m. and leaving Grand Rapids for the resorts at 3:55, 4:50 and 5:35 p. m. This is two extra trains each way. Other trains will leave on the hour as at present.

The Saugatuck dancing pavilion and the Ottawa Beach hotel will open for the season Saturday. Two of the new interurban cars and the new ferry, the Ottawa, will be put into service on that day.

## BRAD WOULD MARRY AGAIN—BUT HAS CHANGED HIS MIND; WOULD-BE-BRIDE TWENTY-THREE, GROOM SEVENTY-FOUR.

Hugh Bradshaw, aged 74, a gardener near Jenison Park, has taken out a marriage license to wed Miss Rose Mortensen, his housekeeper, aged 23 years.

Mr. Bradshaw, who was at one time a prominent steamboat man and former owner of the steamer Mable Bradshaw, which sailed on the Holland-Chicago line some 20 years ago, was recently made defendant in a divorce suit instituted by his former wife and the court allowed her a decree together with \$8,000 alimony.

A few weeks ago Mr. Bradshaw advertised in the want columns of a Grand Rapids paper for a housekeeper and among the numerous replies was one from Miss Rose Mortensen.

Later report states that Brad had changed his mind and will not again venture upon the stormy seas of matrimony.

## Salisbury Get More Game Violators.

Deputy Game Warden Salisbury made another raid Tuesday evening on the Grand Haven fishermen who it is alleged ship out immature fish. Two barrels were found on the Goodrich dock, one containing 150 and the other 120 pounds of undersized trout. The fish were confiscated and arrests will follow.

## HUDSONVILLE

Hudsonville, June 23—During the heavy rain, John Grayling of Filmore township, was hastening to Grand Rapids in his automobile to secure the services of a physician for his son, when his auto went too near the edge of the road in order to pass a team of horses and the bank broke down with him and he, with the machine was hurled into a ditch. His right arm was broken above the elbow and his right shoulder dislocated.

## HOLLAND TOWN

The stone road in the Ottawa County good roads system leading from the Holland city limits to Central Park was completed Friday. The work has been in progress in the building of this road for some months and it is now one of the finest in the county. Moreover it is a road that will probably be used more extensively than any other road in the system in Ottawa county, since it is over this road that hundreds of automobiles pass each day from Holland, Zeeland, Grand Rapids and other places to Macatawa Park.

In order to make the road still better a number of individuals have subscribed for a fund with which to apply calcium chloride to the road to lay the dust. Enough has been subscribed to cover part of the way and attempts will be made to secure funds enough to apply calcium chloride to the road all the way to Central Park.

Last year this time the road that is now one of the finest in the county was one of the worst in the state. It was in such poor shape that people were compelled to make a long detour in order to get from Holland to Macatawa.

"Too much of a good thing," is what the farmers who are coming to the city this week call the deluge of rain that descended Sunday. Before Sunday many of the farmers had been devoutly wishing for rain and some there were who believed that there could not be too much of it. But when they returned to their fields Monday they changed their minds. There is hardly a corn-field in the county that is not covered in patches with standing water. This standing water is seeping away fast on sandy soil. But on clay land it will remain standing for some time. Naturally the corn and other products in such places are drowned out and the crop will suffer.

The terrific wind that came twirling and twisting over the city early this morning like a miniature cyclone helped somewhat to dry up the water and on the whole the farmers in the city today declared the outlook

is a little more favorable than it seemed at first. But meanwhile many of the farmers are compelled to be idle since the rain has so effectively soaked the soil that it is impossible in many places to work on it.

## GRAAFSCHAP

Friday at his home at 324 Central avenue Cornelius Van Leeuwen died at the age of 82 years after an illness of three days. Mr. Van Leeuwen had lived in Holland the past six years, coming here from Fillmore township where he had occupied a farm east of Graafschap for 42 years. He came to America from the Netherlands nearly fifty years ago.

Deceased is survived by a widow and fourteen children, four sons and ten daughters. The funeral were held Monday at 12:30 from the home and at one o'clock from the 1st Reformed church. The Rev. H. J. Veldman officiated. Interment took place at Graafschap.

A local man figured in the "This is my Birthday" column in the Grand Rapids News Saturday. The subject of the sketch was Herman Van Zoerman, well known here. The following writeup appeared under the cut of Zoerman:

"Finding a way to make money and enjoy life to the utmost while doing it, was no problem for Herman Van Zoerman of Macatawa Park and Palm Beach Fla., during the hot and cold months, respectively, and of 37 Barclay avenue between seasons.

At Macatawa park he manages the Macatawa Bathing beach and the European hotel, and thus escapes the heat of the summer. In the winter time he goes to Palm Beach, Fla., where he mingles with the millionaires of the country at the Salt Air hotel.

"He is a native of Graafschap, near Holland, and is 28 years of age Monday."

The Graafschap school recently held a social evening with excellent results.

The pupils solicited funds from patrons and friends of the school. The young people of the district were encouraged and aided by the teachers to give a pupils' entertainment in the school. No admission was charged, but after the programme a social hour was enjoyed at which time refreshments, mostly donated by patrons, were sold. By this method \$22.50 was collected, which with previous donations furnished sufficient money to purchase the piano, besides leaving a small balance for which they bought a medicine cabinet with the necessary emergency outfit. The teachers feel amply repaid for their efforts in this direction.

Recently some seventy five volumes have been added to the library, and the interest in reading has been greatly stimulated.

The board contemplates bringing before the annual meeting the proposition of enlarging the school grounds, a much needed improvement.

## NEW HOLLAND

Mr. and Mrs. Jacob Stegenga and family of Grand Rapids has been visiting with his brother in law Mr. Gerrit Brouwer about a week and left again this week Tuesday for Portland Mich., to visit their brother Mr. Gerrit Stegenga for a week. Mr. Jacob Stegenga has been connected with the Grand Rapids postoffice for several years.

Mr. and Mrs. Jacob Stegenga and family and Mr. Gerrit Brouwer went out a day last week to Port Sheldon to do some fishing with no results.

Mr. Isaac Houting went to Dauglas last Sunday to call on his son John who is to work their berry picking.

Messrs Harrington and Cook the road commissioners were here one day last week looking over the grading which is completed from Olive Town from Wybe Nienhuis 2 miles south to New Holland.

A cow belonging to Mr. John Bartels of Crisp was killed by lightning last Sunday. Lightning also struck the Harlem Creamery but no damage was done.

New Holland received its share of the rain last Sunday and Monday morning farmers were nearly all busy Monday afternoon leading the surplus of water from their corn fields.

The two mile road leading south from New Holland has been surveyed last week and as soon as the farmers can find time they will start grading the same. It is hoped that gravel will be put on these graded roads before next fall when the rainy season starts in. If not it won't be possible to haul the beets over these newly graded roads.

Dr. H. J. Vanden Berg son of Dr. Vander Berg of New Holland left this week Monday for Atlantic City to attend the American Medical Association which meets in that city June 22, to the 26 from there he will go to Philadelphia and on his way back will call on his brother Weynand at New Jersey for a few days. He expects to be back some time next week. September next he intends to go to Vienna Austria Europe to take an other post graduate course and will be gone for several months.

Mr Isaac Haating is at present busy putting a cement floor in his cellar.

Mr. John Meuwisen took the job of putting a new tile roof on the Harlem depot and decorations inside. It will then be one of the finest stations along the road.

J. S. Stulver of Rusk was in the city Friday visiting friends.

Rev. Henry P. DePree has reached Zeeland on his first furlough from China where he has been engaged as missionary for the Reformed church for eight years. Mrs. De Pree returned to America a year ago.

A string of 10 automobiles, containing a large number of the members of the Civic club, left Zeeland Thursday morning at six o'clock for a fishing trip to Spring Lake. They returned very late in the evening, all reporting a fine time and good fishing.

There was a small fire in the upstairs of the Ben Green's Cafe Friday morning. The lace curtains and part of some bedding were burned. The presence of mind of the proprietor saved the building. He quickly extinguished the flames with a heavy quilt. No cause for the fire has as yet been ascertained.

Mrs. Myrtle Williams has for the past week been demonstrating in Wyngaarden's hall in Zeeland various ways of cooking, baking and broiling on a gas stove. Each lady attending received a ticket with a number on it. Saturday, the last day of demonstration, the tickets amounting to 1,000 were placed in a large box. After being thoroughly shaken a little blind-folded girl picked out the tickets and the fifth ticket was to be the lucky one. Mrs. H. H. Karsten owned the corresponding number so she received the possession of a new \$35 gas stove, with an elevated oven.

The week of demonstration has been a huge success. All the meetings being well attended and the ladies were very much interested in the new recipes which Mrs. Williams not only gave them but showed them how to use.

This week she will devote to days in individual homes, demonstrating.

The annual banquet of the Zeeland High school Alumni association was held Friday night in the Colonial cafe. About 50 members were present. The program follows:

## HOLLAND ROUTE 4 HAS A "LONG FELLOW"

The following is a poem from the pen of Peter Van Wynen Route 4 entitled "To the Creek" not "Salt Creek" Editor.

I remember, when as a boy  
My heart would always pulse with joy,  
When in warm weather I could sneak,  
To go wading in the creek.

There'd be a jolly lot of boys,  
At times we'd make the greatest noise,  
We'd do all sorts of tricks and pranks,  
And act the part of little cranks.

Then we'd build great dams of sods,  
I would make the creek stand back for rods;  
We'd sail small boats and ride on rafts,  
The work of boyish arts and crafts.

We didn't care 'bout chopping wood,  
And wouldn't think of being good;  
All we did was shout and prance,  
When mother called, I'd look as-rance.

Now I go bathing in the lake,  
But of no joys I can partake;  
When I want fun, stern duty calls,  
And then the keenest joy soon falls;  
And as there is no way to sneak,  
That's when I think about the creek.

## MARTIN FRANZBURG IS FINED \$25.00 AND COST FOR SHORT WEIGHT

Did Not Heed Warning of Police Department; Same Medicine For Others Convicted of Same Offense.

Because he did not heed the warning issued by the police department Martin Franzburg a vegetable and fruit dealer located on East 8th St. paid a fine of \$25 and costs amounting to \$3.45 in justice court Friday afternoon. Franzburg was arrested on the charge of selling strawberries in "short boxes". The police department gave a clear warning only a few days ago that this offense would be severely punished and Mr. Franzburg found that that warning had real intentions back of it.

Moreover Franzburg had been personally warned by Chief of Police Van Ry. The chief found a great many "short boxes" on Franzburg's premises and notified him he could not use them and represent them as full quarts. The chief allowed him to use the boxes on condition that he would notify all his customers that the boxes were "short" and would knock two cents on the price. Moreover he was required to burn all the boxes after they had been used. It was charged in court Friday that Franzburg had not complied with any of these provisions. It was charged that he had not sold the "short" boxes of berries for less than the market price of full quarts and the police found a large number of the boxes on the premises, the stains on which showed that they had been used. These had not been destroyed as ordered.

The fruit dealer explained to the court that it was all a mistake on the part of his boy, who had mixed the "short" boxes in with the regulation size boxes.

The police department declares that this is but a sample of what will happen to all who are convicted of using the "short" berry containers.

## HOLLAND HAS SOME BAD SPOTS.

State Bulletin Prints Pictures of the Undesirable Places in Holland.

In the May number of the Bulletin of the Michigan Association for the Prevention and Relief of Tuberculosis appear two cuts of scenes in Holland. The pictures from which these cuts were made were taken by Visiting Nurse Miss Sollers. One of them is of the real of a local place of business and one is the picture of a dump-heap on the outskirts of town. The April issue contains cuts of undesirable places in Pontiac and in coming issues similar places in other cities are to be shown.

## ELECTRICITY IS CHIMNEY SWEEP LIGHTNING SHOCKS MAN AND CLEANS A CHIMNEY

Oscar Bennett of Gibson narrowly escaped death during a terrific electrical storm when lightning struck a lilac bush within three feet of the porch of his home. Bennett, who was sitting on the porch, was knocked from his chair and his right arm was paralyzed. He will recover.

A bolt struck the chimney of Mrs. W. H. Burton's home but no damage resulted. The fire cleaned the chimney.

## CHAUTAUQUA WILL SOON HAVE THE BOARDS

CHAIRMAN OF COMMITTEES ARE APPOINTED TUESDAY MORNING

Big Series of Entertainments to Be Held the Last Week in July; Ten to Be in Same Place

The executive committee of the Holland Businessmen's association met Tuesday to make further plans for the chautauqua that is to be held in Holland during the week beginning July 27. The tickets have arrived and those who have made pledges can now redeem them by calling for the number of tickets they have promised to buy. Benj. Brower of the First State bank is in charge of the tickets and he will be assisted by Gerrit Van Zanten. The chautauqua will be held in the same place where it was held last summer.

Tuesday morning chairmen of the various committees were appointed. These chairmen will appoint other members on their respective committees and will then immediately proceed to do the work necessary to make the chautauqua a success. The following appointments were made: Entertainment, M. A. Sooy; automobiles, Frank White; advertising, B. Slagh; tents and seating, Gerard Cook; ushers, H. Van Tongeren.

Harry Harrington, treasurer of the Holland Businessmen's association will again have charge of the finances of the chautauqua week.

There is still a full month before the chautauqua will be here. Profiting by the experience of last year the Businessmen's association has the plans for the big series of entertainments well in hand, and the work is being systematically mapped out so that all the various committees can do their proper share of it.

## A Stitch In Time

Holland People Should Not Neglect Their Kidneys.

No kidney ailment is unimportant. Don't overlook the slightest backache or urinary irregularity. Nature may be warning you of approaching dropsy, gravel or Bright's disease. Kidney disease is seldom fatal if treated in time, but neglect may pave the way. Don't neglect a lame or aching back another day. Don't ignore dizzy spells, irregular or discolored urine, headaches, weariness or depression. If you feel you need kidney help begin using the reliable time-tried remedy, Doan's Kidney Pills. For 50 years, Doan's have been found effective. Endorsed by grateful people.

Mrs. J. R. Stoddard, Hudsonville, Michigan, says: "I had been doctoring with a physician for gravel and acute attacks of Bright's disease. After a course of his treatment, I was advised to try Doan's Kidney Pills. I had backache and trouble with the kidney secretions. I found such good results from the first box, I got another. Now, the trouble has been greatly relieved."

Price 50c. at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mrs. Stoddard had. Foster-Milburn Co., Props., Buffalo, N. Y.—Ad.

# FIFTY-THREE HIGH SCHOOL GRADUATES RECEIVED DIPLOMAS FRIDAY NIGHT

Impressive Exercises Are Held In the Auditorium of the New High School.

The thirty-fifth annual commencement of the Holland High school was held Friday in the High school assembly room. The auditorium was crowded with spectators when the graduating class, fifty-three in number, led by John Lloyd and Helene Kollen, who sprinkled flowers in the path of the Seniors, marched to their places on the stage to the tunes of Rubenstein's "Melody in F", played by Miss Marjory Dykema and Miss Ruth Keppel. This is the first commencement to be held in the new High school, and as a memorial the Senior class presented the school with a beautiful full length statue of Lincoln.

Dr. A. F. Bruske, delivered a very inspiring address to the Seniors on the subject "Lend a Hand." He spoke to the students of the good that can be done in the world. He said that graduates from the schools are needed everywhere to lend a hand to the poor and unfortunate. Be big enough to stoop and help the failure, the boy or girl, or the man or woman who has gone wrong, he said.

The salutary was delivered by Miss Louise Bruske. She spoke on the value of art and literature in the schools and the good derived from an education.

The valedictory address was delivered by Miss Marian Van Drezer. She spoke on the value of education and the part school training plays in success. She also told of the good such organizations as the Boy Scouts and Camp Fire Girls are doing in the school. She addressed the class on what is now expected of them and what they can do.

During the program the Junior class sent up beautiful bouquets of roses to Miss Bruske and Miss Van Drezer and also to Miss Keppel and Miss Dykema, who did much to make the entertainment part of the program a success.

Invocation was delivered by Dr. G. J. Kollen, LL.D. after which six senior girls sang "The Fairies' Moonlight Dance" by Louis Gregh. A piano duet, "Spanish Dance No. 2" (Noskowski) by Gretchen Ming and Bernice Wright was very well received. Miss Ruth Keppel pleased the large audience with a violin solo "Concert, E. Minor" (opp. 64) by Mendelssohn.

In presenting diplomas Supt. E. E. Fell congratulated the students on the work they have done and advised all who could to continue their education.

Announcement was made of the D. A. R. prize, a portrait of Alexander Hamilton, won for the school by Miss Marian Van Drezer for having the highest average in American History.

Simon Den Uyl, president of the class of '14 made the presentation of the Senior Memorial. He said he thought it no more than proper that the first class to graduate from the new school and after four years of work in High school that the class leave a memorial.

The Senior chorus sang "Lovely June." The following is the list of graduates: Hazen Irene Ayres, Marlon K. Bauhahn, Russell H. Bender, Bernice I. Benjamin, Johanna M. Borgards, Louise Marie Bruske, Grace Busies, Edith S. Cappon, Gladys S. Carter, Gertrude De Witt, Simon Den Uyl, Margaret Lulu De Haan, Marjorie A. Dykema, Jake Fris, Doris Imojane Fairbanks, Edward H. Haan, Peter Hamelink, J. Wendell Helfrick, Arthur Heuer, Otto Erskine Huntley, Elmore J. Hoek, Herbert O. # EIGHTY SIX PASS OUT OF LOWER GRADES THURSDAY

Impressive Exercises Are Held In the Junior High School Assembly Room.

A large number of parents and friends of the graduates of the

eight grade of the public schools gathered in the Junior high school Thursday to see eighty-six pupils receive diplomas which admit them to high school. The address of the evening was by Prof. Wynand Wichers of Hope College who spoke on the subject, "Today and Tomorrow." Mr. Wichers gave an inspiring talk to the young boys and girls who have completed the first eight years of their education.

The program opened with a selection by the Junior High school orchestra, "Magic Fire," overture by Wheeler. The Rev. W. J. Van Keulen pronounced the invocation. Arthur Van Duren rendered a piano solo, "Premiere Grande Valse Brillante" by J. Leybach. This was followed by the address of the evening after which the class sang "Summer Now Hath Come Among Us," by Phisut. Beatrice Osborn gave a piano solo, "Hark, hark the Lark," by Liszt.

The presentation of certificates was made by Supt. E. E. Fell, after which the D. A. R. prize was awarded to the D class. The program closed with music by the orchestra.

The class colors were White and Yellow; the class motto was "Strive and Succeed" and the class flower was White and Yellow Rose.

Following are the graduates who received diplomas: Raymond Armbruster, Cora Baker, Dorothy Barnard, Lena Beeuwkes, Ella Berkom-pas, Dee Bolhuis, Jeanette Bouma, Hazel Brinkman, Franklin Cappon, John Chervensky, Clifton Dalmon, Irene Dangremont, Gerrit De Weerd, Harry De Vocht, Theodore Dublink, Jeanetta De Koster, Gusley DeVries, Tony DenUyl, Gerrit De Haan, Leo Eby, Willard Elferdink, Alydia Eelhart, Jennie Glupker, Howard Griffin, Raymond Hopkins, Dick Japings, Elizabeth King, Earl Knutson, Mae Koning, Leona Link, Cornelius Lokker, Grace Mersen, Frances Mills, Clara Miller, Esther Ming, Laura Marsh, Rendert Muller, John Mulder, Preston Mulder, Kathrine McBride, Percy Newhouse, James Nibelink, Beatrice Osborn, Theodore Oltmans, Mabel Peters, Ernest Post, Roelof Pieters, Arthur Ploegsma, John Roels, Benjamin Rutgers, Reka Streur, Janet Steketee, Morris Steggerda, Mildred Smith, Ella Slag, George Steggerda, William Strong, Kathryn Ter Beek, Margaret Ten Brink, Willis Ten Brink, Elizabeth Vander Veere, Sam Vander Woude, Fred Van Lente, Kathryn Van Null, Lizzie Ver Schure, Jeanette Vanden Brink, Lotta Van Lente, Clara Vanden Berg, Ben Van Dyke, Peter Van Domelen, John Vande Wege, Arthur Van Duren, Anna Visschers, Jeanetta Wybenga, Elmer Winstrom, Fern White, Ada Whitman, Ruth Walsh, James Weir, Henry Wallewyn, Theodore Yntema, Daniel Zwemer, August Zweering, Margaret Zuidema.

# CAUSED BY A GASOLINE EXPLOSION.

DE MAAT TAILOR SHOP IN THE WYKHUIZEN BUILDING SUFFERS FROM FIRE

The explosion of a five gallon can of gasoline in the dry cleaning room of the De Maat tailor shop in the Wykhuiszen building just off from Eighth street on College Avenue, caused a fire Monday afternoon about 4 o'clock. On account of the gasoline it was difficult to extinguish the blaze and about \$300 damage was done to the building and stock. The building was damaged quite badly in the rear. No one was in the room when the explosion occurred and it is not known what caused it.

# Y. M. C. A. BOARD OF DIRECTORS HELD BUSY MEETING MONDAY EVENING.

Secretary L. O. Moody Makes a Report of Work Done Here During First Month.

At a meeting of the Board of Directors of the Holland Y. M. C. A. held at headquarters in the Visscher building Monday night an active campaign for the work of the summer was mapped out. The real work of the association will not begin in earnest until next fall when the schools again open, but during the summer there will be a number of activities that will help to make the association a real help to the boys of Holland.

It was reported Monday night that about half of the money pledged for the first year had been paid in. The pledges are payable now at any time and may be handed in to Mr. Fred Beeuwkes.

During the first month of his work in Holland local Secretary L. O. Moody has put in most of his time visiting schools and churches and getting acquainted with the boys of the city. He visited all the schools except the grade schools. He spent considerable time in the high school and in the School for Christian Instruction. He also visited all the churches of all denominations in Holland. In every case Mr. Moody reported Monday the response has been a very hearty one, and the people, both young and old, have shown that they are anxious to help in the activities that are to begin in the fall.

Next Friday Bert Van Ark and Rudolph Haberman will leave for Central Lake, Michigan, where they will represent Holland High school at the High school conference section of the State Y. M. C. A. camp. This conference will last ten days. It will consist of a hundred picked boys from all over the state. The representation at this camp is based on enrollment of pupils in the schools. Each high school is allowed two delegates and one more is allowed for additional enrollment of one hundred. Holland is entitled to four, but because of the expense connected with the trip only two will be sent.

At this conference the boys will have an opportunity to talk about vocations and professions, and an effort is made by the instructors to send the boys back home thoroughly imbued with the idea that clean athletics is what counts, that it is more important to play the game on the level than to win.

Mr. Moody was appointed one of the ten instructors at that camp and the local Y. M. C. A. committee has granted him the necessary leave of absence to attend that conference. The meeting will last from June 26 to July 6.

The board Monday night approved of the recommendation of Secretary Moody to make a careful study of what the boys and young men of the city want in the nature of Y. M. C. A. activities next fall. This work will be done through the card system. Committees will be appointed in the factories to secure information as to what is desired and these wishes of the boys and young men will be followed as far as practicable.

The first week in August an educational trip will be made to Chicago. The expense of a trip of this kind for each person is \$10, and fifteen boys can be accommodated. The party is to be conducted by Mr. Moody and is to be made up of boys of 16 years or over. Other shorter trips for younger boys will be announced from time to time during the summer.

Mr. Moody will be at headquarters every forenoon from 9 to 10 o'clock during the rest of the week to confer with those who wish to make arrangements for any of these trips or who wish to secure other information in regard to the Y. M. C. A. work.

# FOUR NEW COTTAGES ADORN CASTLE PARK

Castle Park, two miles south of Macatawa, is at present one of the busiest spots along the Holland interurban railway. Four new cottages have been erected this season, two additional cottages are in prospect and it is expected that before the close of the season several more will be built.

The owners of the new cottages are Dr. J. G. Huizinga of Grand Rapids, Prof. J. Goebel of Illinois university, Mrs. E. P. Brown of Normal, Ill., Dr. W. C. VanBenschoten of Chicago, John Knoll and J. H. Parr of Castle Park.

# CIVIC HEALTH COMMITTEE OF WOMAN'S LITERARY CLUB GIVES FIGURES.

Tell of the Results of Anti-Tuberculosis Campaign Conducted Here by Miss Sollers.

The final reports in connection with the health campaign conducted by Social Service Nurse Miss Mary B. Sollers have just been made and her expense account has been audited and approved. Since the public paid for the campaign by buying Red Cross Seals last Christmas the people are interested perhaps in how the money was expended. Of the total sum realized from Seals the sum of \$25 is still in the bank as a reserve fund for beginning the work next year. One hundred dollars was paid to Miss Sollers in salary. The sum of \$91.60 was given to the State Tuberculosis fund. Other expenses were \$5 postage; \$31.72 traveling expenses of nurse and \$21.42 for board and room. Total expense was \$249.75. The total collected for this purpose by sale of stamps was \$274.75.

The State Anti-Tuberculosis society has again appointed the Woman's Literary club of this city to do the work in connection with the anti-tuberculosis campaign in Ottawa county. The Civic Health committee of the Literary club is composed of the following: Mrs. G. J. Van Duren, chairman, Mrs. R. N. De Merell, Mrs. H. J. De Vries, Mrs. A. Leenhouts, Mrs. E. J. Blekkink, Miss L. E. Bahr and Mrs. J. F. White.

That the committee was well satisfied with the result of the work done here by Miss Sollers is shown by the letter of recommendation they have sent to her. This letter also reviews the work and reads as follows:

To Miss Mary B. Sollers, Registered Nurse.

The members of the Civic Club committee of the Woman's Literary club of Holland, under whose auspices you have worked as visiting nurse for Ottawa county during the past month, desire to express to you, as you are about to leave us, their great satisfaction in the amount of service you have rendered, both in Holland and in the county, and also their hearty appreciation of the character of this service.

Your visits to the home of the sick your talks to the pupils of the public schools, and various church organizations, your observations on unsanitary civic conditions and the photographs taken by you confirming your statements, as presented in your report to the Woman's club, have all been educational and helpful. In considering the progress made, and results achieved through your efforts, we feel that not only your professional equipment has been adequate to the demands, but that your spirit has been such as to invite and secure the hearty co-operation of intelligent and influential citizens of the communities where you have labored, including city officials, physicians, ministers, teachers and others.

With warmest appreciation of you, and your services in Holland and Ottawa county, and with best wishes for your future success, we remain,

Very cordially yours,  
CIVIC HEALTH COMMITTEE,  
of Woman's Literary Club.

# BEAUTIFUL RESIDENCE BURNED SUNDAY

HAD BEEN SOLD LESS THAN A MONTH AGO FOR \$29,000

The large summer home of John Williamson of Chicago, known as the old Comstock place, about eight miles southwest of Holland, was struck by lightning during Sunday's terrific electrical storm and was burned to the ground. Part of the furniture was saved.

Mr. Williamson, who is vice president of the Chicago Gas company, purchased the place less than a month ago for \$29,000. The place since has been extensively improved and remodeled.

# Local Team Wins Saturday's Game By 6 to 4 Score.

The Walk Overs defeated Douglas Saturday in a well played game at Douglas, by the score of 6 to 4. Overweg was in fine form and allowed Douglas only six hits; also striking out ten men.

This is the first time that Douglas has been beaten on their own diamond for some time. The Walk Overs took the lead in the third inning and were never headed after that.

Batteries—Douglas, Haber and Thompson; Walk Overs, Overweg and Rosendahl. Next Saturday the Walk Overs play Fennville at Fennville.

# HOBOS' THICK AT RATTLE SNAKE POINT

POLICE LAST NIGHT FOUND 26 IN PLACES OF SHELTER

Problem of Jungles Is Not Solved; Several Lodgers in Jail

The hobo problem in the Jungles at Waverly is not by any means solved in spite of the oft-repeated statement on the part of officers that the weary ones would in the future give Holland a wide berth. Sunday night the local police force roused twenty-six of the wanderers out of the box cars and other places of shelter at Waverly, where they had found shelter from the rain. The raid on the hoboes by the local forces was the result of a holdup. The report was brought to headquarters that a citizen had been held up by two tramps near Waverly. The tramps apparently were not after money. They merely compelled their victim to hand over his tobacco and allowed him to go on his way after they had secured the "makings" that would keep them in smokes during the night.

The officers immediately started out to try to apprehend the hold-up men, but when they found 26 of them it was decided that the identification would be too much of a proposition. The tramps were all searched for weapons and then sent on their way.

Almost every night, at least during the cold snap that has just broken, there have been a number of lodgers at the city jail. On Saturday night there were six. Sunday night there were three, two of whom were sentenced for drunkenness Monday and at present there are again three inmates in the lockup.

While the various campaigns against the hoboes at Waverly have done a great deal of good, the problem is not at all permanently solved and the tramps return each year in spite of any threats that are made against them. The local officers, both of the police force and of the county force, are keeping a sharp eye on them however, to get ahead of serious trouble.

# DR. GODFREY GETS PICTURE IN PAPER

DETROIT TRIBUNE PRINTS CUT OF ITS AUTHOR SUNDAY

The "Health First" slogan recently launched by Dr. A. T. Godfrey of Hope College in an article in "Public Health" magazine is taking hold. Sunday an article appeared in the Detroit Tribune telling about the new slogan and carrying a cut of Dr. A. T. Godfrey. The article suggested that it was likely that the medical society of Ottawa county would take up the matter and spread the gospel of "Health First," and that later it was likely that other medical societies in the state would push the work along.

The "Health First" campaign will get a big boost in July when it will be made a part of the Pike tour. In connection with this the Western Michigan Development bureau is helping it along a great deal by the sending out of matter to all the news papers in the western part of the state telling of the coming tour and the part the "Health First" special will play in it. These dispatches are printed in most of the newspapers of the state and they are a powerful aid in making the new slogan take hold.

# BIG TENT SHOW MOVING UNDER THE NAME OF THE KEENEY STOCK CO.

The representative of the Keeney Stock Co., arrived in the city today and has secured the open lot just west of the West Michigan Laundry, on W. 8th street and the above attraction will be here the week of Monday, June 29 with their big water-proof tent theater which has a capacity of seating 1000 people.

There will be a change of plays nightly. The company at present is moving eastward and has played at Evart, Pentwater and the present week they are at Hart, Mich. The plays of the Keeney Stock company are up to date, of a moral nature and caters to the amusement seeking public generally.

# WARNING TO SCHOOL ATHLETES GOES BAREFOOT IN WINTER HAS BOOTS 40 YEARS

The boys of the common and high schools who rejoice in their athletic prowess will give little heed to the warning sounded by Dr. Arthur A. Knoch of Cincinnati in an address before the American Physical Education Association in session here. But their parents and school officials might well ponder Dr. Knoch's advice. He criticizes the strenuous physical exertion which exhausts almost all organs, causes dilation of the heart brings curvature of the spine, rounds the shoulders and causes other abnormalities. As has been pointed out many times, the end of exercise is not strength, but health and grace. Nature never intended that the human animal should be trained down to what boxing circles call "fighting weight" all the time. When such a course is followed it is at the expense of vitality.

This is no untested theory. The short athletic life is a matter of common knowledge. When professional ball players at 35 are called "old men" the baneful effects of overtraining and strained exertions are recognized. When a man squanders in a few years the surplus vitality nature designed to carry him through a long lifetime he is a physical spendthrift as foolish as any other kind of spendthrift. And when intense physical training is given to growing boys it brings a positive injury that can not be repaired. Physicians could give a long list of young men whose bodies were shattered by athletics.

The tendency to look upon athletic contests as the chief end of exercise, not simply in the common schools and the high schools, but in the colleges as well, has long been regretted by thoughtful observers. The percentage of the student body participating in such contests is from the necessity or things very small. Wholesome as class or college spirit may be, it is fostered at too great a cost. The students who actually need exercise to develop impaired organs and promote health are not fitted for athletic contests. While they may get a little fresh air as spectators and develop their vocal cords as "rooters," athletic contests are of comparatively little value to them. What is needed is general exercise of sufficient variety to interest all and of a character that will permit general participation. While not as familiar with the achievements of the American Physical Education Association as we should be, we infer from its title and the character of some of the addresses by members, that its aim is to bring about in the schools of this country conditions which will promote harmonious development of the children mentally and physically. If it succeeds in correcting the tendency to produce a few athletes through the neglect of the general student body, it will have justified its existence.

## MAKE CHANGE IN FACULTY

The Hope College council at its June meeting made the following changes in the Hope college faculty: Peter Claassen, Ph. D., of Danville, Ky., has been engaged to succeed Professor Delano as head of the French and German department. Mr. Delano is a graduate of the University of Kansas in Kalamazoo college, in Ohio, university and in the Central university of Danville.

Miss Alta J. Lich of Lansing has been engaged for teacher in the department of English, together with physical training. She is a graduate of the big Rapids High school, Ferris institute, Ypsilanti State Normal and the University of Michigan. She was principal of the Osego County Normal, and for the past year taught in the Ypsilanti High school.

## Grand Rapids Man Agile As Boy At 73; Lover Of Outdoor Life

When the thermometer is galloping downward toward the zero notch and the ordinary citizen is down on his hands and knees in the garret of his home rummaging for an extra suit of "heavies," Patrick Doherty, of Grand Rapids is kicking up his bare heels in unadulterated glee.

Every time the north wind whistles shrilly around his house sweet shivers of joy and satisfaction course up and down his spinal column because it is in the winter time that he lives most happily.

Not since the winter of 1866 has Patrick Doherty worn underwear. Neither has he worn socks, and the only time he has worn a covering for his feet has been on occasions when he was called upon to perform other than home duties.

More remarkable still, he has taken a walk of nearly a half mile every morning during that time, winter and summer alike, barefooted.

It is no uncommon sight to see Doherty, on the most wintry of winter days, shoveling or sweeping paths in the snow around his home in his bare feet.

When he posed for a picture he stood for 10 minutes on one spot while an amateur newspaperman fussed with the focal scale of a camera.

The secret of Doherty's capabilities in the cold weather line lies, as he claims, entirely in the fact that he has taken a cold plunge every morning for the last 55 years. He was wounded in the battle of Bethel church during the Civil war and when he was mustered out in Boston he found that his health had been severely impaired. He tried several remedies without avail, and one day he met a friend who jokingly suggested the cold water treatment. He took the joke seriously and inside of two months his aches and pains had vanished and he was one of the hardest men in the community. He has not been sick a single day since he started the "water cure" and has not had a cold.

Although 73 years old he is as agile as a youth, and can turn a handspike like an acrobat. As a matter of fact the handspike constitutes a part of his daily exercise. It is nothing for him to run around a city block and he can do it in good time, too.

Doherty's attitude towards socks, underwear and an overcoat amounts almost to an aversion. When he became an enthusiast for cold water he dropped the three articles of apparel immediately. He kept an old pair of cowhide boots, to be used in case of emergency, and went barefoot the rest of the time. He served as a patrolman on the local police force for seven years, and the story is told that one night, when the thermometer registered 3 degrees below zero, he patrolled with Police Captain Milley for a stretch of ten hours, overcoatless and sockless. After he was made night turnkey he washed himself with a hose every morning, and on many a winter day's opening hour, while the rest of the men were swinging their arms and buffeting each other to keep warm, he would hang a mirror by the open doorway and stand in the icy blasts shaving himself with a steady hand.

The boots which Doherty wears are prize winners. He made the pair while working in the east 40 years ago. He will wear them to and from the business portion of the city, and when he goes for a social call with his wife, but as soon as he enters the confines of his home again he chucks them and enters the realms of contentment.

Doherty is the most ardent baseball fan in Grand Rapids. Back in the fifties Doherty caught for a team in Milford Mass., known as the Emmets. That was in the days when all hits counted, fouls or otherwise, and the team that managed to amass 50 runs first was declared the winner. Many of the games required two and three days in the playing being postponed on account of darkness until one team had secured the necessary 50 points.

When the war of the rebellion broke out Governor Andrews issued a call for troops and the Davis Guards, a military organization, to which all the Emmet players belonged, was made a part of the Ninth Massachusetts regiment. Shortly after going into service, Doherty gathered the old Emmets together and issued a challenge to the remainder of the regiment Colonel Guiney, who was in command put up six canteens of whiskey as a prize. Doherty's team worked for two afternoons without winning but on the third day, by using the forerunners of the "squeeze play," the 50 runs were counted.

During the last week Mr. Doherty has worn his boots more than any other week in the last 40 years. He had a front seat in the municipal court where the trial of Edward Blackburn, Thomson murder suspect, was in progress. He was forced to keep the boots on in the courtroom, but when he returned home he shed them with alacrity.

"Just take a cold bath every morning not too much at first but gradually growing colder," he recommends, "and you'll get harder than a brick in a little while and so robust that you can withstand the fiercest blasts. If more persons took cold baths there would be fewer doctors in the country."

# ADAMS EXPRESS COMPANY TO TAKE OVER LOCAL OFFICE JULY 1.

Bert Adams local agent for the United States Express company has received notice that beginning July 1, the business of the corporation would be taken over by the Adams Express company, which has entered into a contract for handling all express business on the Pere Marquette system.

W. M. Caldwell of Hastings, Neb., general inspector for the Adams Co. has made arrangements for the transfer.

Reports of the impending transfer have been current for several weeks but the name of the Wells-Fargo more often than the Adams has been connected with the deal.

"So far as express patrons are concerned the transfer will mean little," said Mr. Adams. "Business will be undisturbed and if anything service will be improved because of the excellent connections of the Adams company. The Adams company controls the express business over the G. R. & I., the Lackawana, the Pennsylvania and Burlington systems."

It is likely that Mr. Adams will be retained in Holland as agent for the Adams company.

## NICK ESSENBURG FOR COUNTY TREASURER

Supervisor Nicholas J. Essenburg of Holland has announced his candidacy for the Republican nomination of county treasurer and his nomination petitions are now being circulated. Mr. Essenburg was introduced to Grand Haven Republicans by Supervisor G. J. Hilderink yesterday and his petition was readily signed.

Mr. Essenburg is serving his first year as supervisor from Holland. He has for a number of years been active in Holland political life and was for four years city treasurer of the county metropolis.—G. H. Tribune.

## Cyrus Droppers Wins Place In Iowa University.

Dr. A. T. Godfrey of the chemistry department of Hope College received word today that a scholarship had been awarded to Cyrus Droppers of the Senior class by the University of Iowa. The scholarship carries a stipend of \$300, besides free tuition, laboratory fees, etc. Mr. Droppers' work will be in the chemistry department of the Iowa university.

One of the most important actions taken by the Eagles at their State convention here was the lowering of the per capita tax. The tax on individuals in Michigan has been reduced from fifteen cents to ten cents a year.

## SYNOD ELECTS DR. S. VOLBEDA

Succeeds Prof De Jong—Calvin College Now On Progressive Basis

Dr. Samuel Volbeda was yesterday chosen by the Christian Reformed synod, in session to succeed Prof. G. D. De Jong in historical theology in the Grand Rapids seminary. This action swings the faculty over to the more progressive faction of the Christian Reformed church, and breaks a barrier which has for years impeded the progress of the institution along broad lines.

The anti-progressive wing made a vigorous attempt to have the historical theology chair abolished after Professor De Jong was promoted to the chair of history, but the progressives won.

## SETTLE AGE OF HOPE COLLEGE

The Hope College Alumni association has come to the conclusion that the fiftieth anniversary of the founding of Hope college is in 1916 and not in 1915, as many supposed.

The question brought about a lively discussion at the meeting of the association and was finally settled by President emeritus Dr. G. J. Kollen, who explained that the college was incorporated as a college during the same year that the first class graduated, which was in 1866. The first class graduated on the day the college was born. This explains how in 1916 the fifty-first annual commencement will be held at the same time the fiftieth anniversary of the founding of the college is held.

An earnest effort will be made on the part of the administration to materially increase the permanent endowment fund of the college, which now lacks \$40,000 of the half million mark, before the half century mark is reached.

# TELEGRAM FROM ALLEGAN EDWARD T. BERTSCH SUCCEEDS TWENTIETH ANNUAL COMMENCEMENT OF ZEELAND HIGH SCHOOL THURSDAY EVENING

## TELLS OF ARREST OF HOLLAND BUSINESSMAN.

No wiser word was ever spoken than when Woodrow Wilson said that a man is usually on his metal when he is among home folks and that the gravest of men are inclined to "break loose" a little when they get away from the home surroundings. This truth was illustrated forcibly yesterday when a party of grave and solemn businessmen left Holland for an automobile tour. The party went on their way gravely and with a meek besetting staid and solemn citizens. But hardly were they away from the home moorings when trouble came.

The party consisted of Dick Boter, C. Fris, John Dykstra, A. Keppel and John Vandersluis. They were out for a spin to get away from business cares. But other cares were in store for them. Shortly before noon a telegram from Allegan was received stating "Dick pinched at Allegan exceeding speed limit; happy; on way" Now their friends are awaiting their return to the city to learn the particulars of the adventure.

## MANY NEW NAMES ARE ADDED

### TO BLACK LIST MAKING

### NUMBERING SIXTY IN ALL

Vehement Protests Are Made By Several of Those Who Find Their Names Posted.

The new so-called Black list has just been sent out to liquor dealers and is causing a good deal of commotion among the men whose names appear on it. There are sixty names on the list and three of them are women.

Many new names are on the list this time, some of them posted by Mayor Bosch, and it is these men who are causing the disturbance. The name of a former deputy sheriff and city marshal appear on the list and Mayor Bosch and Chief of Police Van Ry have been favored with many interviews from the former county officer who is trying in every way to have his name removed. Others are demanding vehemently that their names be removed, but so far not a single one has been successful.

Chief of Police Van Ry has also been kept busy answering telephone calls in regard to the black list, but the chief can give very little encouragement to the petitioners as it was not through him the names were posted.

## NEW MANAGER OF APOLLO IS GOOD TO BOY SCOUTS

### HALF OF PROCEEDS DURING 3 DAYS GIVEN TO BUY THEIR EQUIPMENT.

Manager Newman of the Apollo Theater is helping the Holland Boy Scouts to earn their equipment and the boys are enthusiastic over the new way of making some money to fit them out for the work of their organization. Half of the proceeds of the shows at the Apollo yesterday and today and Friday will be turned over to the Boy Scouts. The other half will go to pay the actual cost of putting on the pictures, etc.

There will be one 800 foot film during the three days that will be of special interest to those interested in the Boy Scout movement. This picture will probably be put on tomorrow. Change of pictures is to be made daily as usual and the prices will also be the same as usual. It is expected that many will attend the shows during the three days to help the Boy Scouts along.

## NEXT SYNOD MEETS IN GRAND RAPIDS

That City Will Entertain Christian Reformed Delegates In 1915

At the synod of the Christian Reformed churches, now in session at Roseland, Ill., Grand Rapids was chosen as the place for the synod of 1915. Kalamazoo made a strong bid for the meeting but Grand Rapids was favored. One of the important matters discussed was the appointment of professors for the Grand Rapids Theological school.

It was decided to elect a fifth professor in theology to fill the newly created chair of Old Testament exegesis.

The proposition of the Reverend J. Groen to explain his stand as to unionism before the synod was not considered. Calvin College it has been decided will also be run by a society consisting of appointed ministers instead of by the church, as formerly.

## DR. BELL'S ANTI-PAIN

For Internal and External Pains.

# TO PARALYSIS OF THE HEART.

## Had Been Ailing for Number of Years But Death Came Quite Suddenly.

Edward T. Bertsch died at his home west of the city at one o'clock Tuesday after an illness extending over about a day. Although he had been quite seriously ill since Monday morning no serious consequences were expected by the family until about 6 o'clock Tuesday night when the illness took a turn for the worse and all hope of recovery was abandoned. Death came an hour after midnight as a result of paralysis of the heart. Three physicians were in attendance all the time but at about six o'clock all hope was given up.

Mr. Bertsch had been ill for a number of years. About two years ago he retired from business, giving up the management of the Consumers Ice and Fuel Company in order to go to California for his health. He remained about eight months in that state and returned to Michigan somewhat improved. But he was never robust since his return.

Mr. Bertsch was born in Grand Rapids and was 46 years old. Twenty years ago he married Miss Lucy Blom. Most of his life Mr. Bertsch devoted to the tanning business. He was connected with the Cappon-Bertsch Leather company for some time. Later he was manager of the Mill Creek, Michigan, tannery and still later he was engaged in the tanning business in California. Coming to Holland he made this city his permanent home and a few years ago he organized the Consumer's company.

The deceased is survived by a widow and one son, Harris. The funeral will be held Friday afternoon at 2:30 o'clock from the home. Burial will take place in Pilgrim's Home cemetery.

## VISITORS THANK THE CITY AND LOCAL ORDER FOR THE HOSPITALITY.

Declare That for Once Convention Has Come Up to the Expectations.

At their business meeting Thursday afternoon the Eagles of the State passed the following two sets of resolutions thanking the city and the local order for hospitality shown:

Whereas, The Honorable Mayor, City Officials and Citizens of the fair and beautiful city of Holland, have extended their generous and hearty welcome, hospitality and entertainment to the delegates and members of our order during this convention. And we especially commend the business men of Holland for their uniform courtesy and the manner in which they have treated their guests in not making any extortionate charges, but have been satisfied with their usual fees.

We are also deeply sensible that the Press of Holland has done the cause of Eagledom much good with their splendid press notices. Be It Resolved, That the sincere and hearty thanks of this convention be tendered to them and to all those who joined with them in contributing to the success for our splendid entertainment.

Resolved, Further, that a copy of these resolutions be delivered to the mayor of the city and to the newspapers with a request they publish the same.

Whereas owing to the special efforts of Holland Arie No. 1594 and particularly to the enthusiastic labors of the committees, this convention has, for once, been fully up to promises made and an unbounded success and every delegate and member of our order has been benefitted and well entertained.

Be It Resolved, that the brotherly and grateful thanks of this convention be extended to the various committees on arrangements and especially to the ladies committee and the officers and members of Aerie No. 1594.

## WESTERN MICHIGAN CHRISTIAN REFORMED CHURCHES TO HAVE OUTING THE FOURTH.

Churches in the Christian Reformed denomination in western Michigan have completed arrangements for holding two mission rallies on Saturday, July 4. The Rev. H. Walcott will preside over the mission feast to be held in J. Schuitema's grove, a mile south of Hudsonville, under the auspices of the churches at Beaverdam, Jamestown, Zuphen and Hudsonville. The church was very tastefully and artistically decorated by the Junior class.

## MUST TEST COWS SAYS GODFREY

### HEALTH OFFICER MAKES CLEAR THAT THERE WILL BE NO ALTERNATIVE

There is a great deal of confusion as to whether or not testing of cows for tuberculosis is necessary in order to allow milkmen to sell milk in this city. The matter has come up for discussion by the council more than once lately and as a result of differences of opinion the milkmen do not know what is necessary. Friday Health Officer Godfrey dispelled all doubt by declaring without qualification that cows must be tested and that no milk from untested cows will be allowed to be sold here. Dr. Godfrey's order follows:

"Milk sold in the city of Holland must be from cows that have been tested since January 1, 1914, and found free from tuberculosis. Such test must have been made by any licensed veterinarian. All milk peddlers are hereby warned against the buying of milk that has been secured from untested cows.

B. B. Godfrey, Health Officer.

## PROGRESSIVES WILL PUT AN OTTAWA COUNTY TICKET IN FIELD

Will Hold Joint Session With Kent County Progressives In Grand Rapids

The Progressives of Ottawa county are making plans for the coming political primary campaign. Initial steps will be taken on next Friday when the Progressives of Ottawa and Kent counties will hold a joint meeting for the purpose of organizing for the fight that is soon to be in full progress. Attorney M. A. Sooy declared Monday that there will be a full Progressive ticket in Ottawa county next fall, with the possible exception of office of prosecuting attorney.

"There are plenty of candidates," said Mr. Sooy, "and there is plenty of available material to make a very strong fight."

The meeting next Friday will be held at 2 o'clock in the afternoon in Grand Rapids in the Livingston hotel. It is expected that some 25 or 30 members of the Progressive party of Ottawa county will be present at this meeting and probably more than that number from Kent county. The two counties will work together to some extent, especially in the congressional campaign, the two making up the Fifth district. It is likely that T. E. Ewing of Grand Rapids will make the race for the nomination for congressman.

The candidates for the Ottawa county offices have not been decided upon and in only a few cases does the public know who expect to make the race. But after the meeting of next Friday the lineup will be more definitely known who will be who in the summer's campaign.

The meeting of Friday is soon to be followed by the meeting of the county committee and that will soon be followed by a meeting of the city committee.

## FIRM OF VISSCHER AND ROBINSON HAVE IMPORTANT CASE

CASE HEARD IN CITY HALL HAD A STATEWIDE INTEREST FOR THAT REASON

Frank Sanford Is Refused Compensation After Hearing Before Arbitration Board

A board of arbitration composed of O. E. Reaves of the Industrial Accident board at Lansing, Att. Raymond Visscher, chosen by the complainant and Att. A. Van Duren chosen by the Pere Marquette Saturday afternoon refused to grant compensation to Frank Sanford of this city after hearing the case argued in the city hall Friday afternoon and Saturday morning.

This is the first case decided by a board of arbitration in which an employee claims compensation for a disease contracted at his work and is of State wide interest. The findings of the board is not final and the case may be carried to the Board of Arbitration at Lansing.

In his testimony Mr. Sanford, aged 55 a retired farmer, claims that in Aug. he commenced work at the Pere Marquette Road house at Waverly and worked there until Oct. 3, 1913. He contended that during that time he had contracted heart disease by reason of being confined and compelled to inhale the fumes and gases from smoke and torches in the round house.

Testimony was produced by the other side that Mr. Sanford has been examined for life insurance many months before October 3, by Dr. Leenhouts and at that time it was discovered that he had heart trouble. The industrial accident law states that the complainant must give notice within three months after first noticing their condition and this was the principal point the board of arbitration considered in deciding against Mr. Sanford. The board also stated in its findings that it was a question whether or not the accident or disease was caused by employment in the Round House.

Att. G. J. Diekema of the firm of Diekema, Kollen & Ten Cate represented the Pere Marquette railroad.

## WESTERN MICHIGAN IS WELL PROVIDED WITH STANDARD SCHOOL

Four In Ottawa County

Sixteen of the thirty-two Michigan schools honored with plates designating them as standard schools, are in the Western Michigan territory. Four of the schools are in Ottawa, three in Newaygo, three in Mecosta, two in Grand Traverse, two in Kent and one each in Manistee and Muskegon. The significance of the above facts is that education is given due attention in Western Michigan. Although the area of the Western Michigan region is less than a quarter of the total area of the state, yet it contains half of the high grade schools of the commonwealth. The people of Western Michigan have long laid great stress upon educational matters and they are likely to do so for many years to come. It will not be surprising if the ideas generated in Western Michigan are as potent a factor in developing the civilization of the state, as were the ideas that came from the Western Reserve in the development of the northwestern territory.

## NEW BUILDING SOON TO BE ERECTED

POSTOFFICE PLANS TO BE READY FOR CONTRACTORS NOT LATER THAN AUG. 15.

Congressman Carl E. Mapes has written to the local post office authorities that plans for the erection of the new federal building in Holland are maturing fast. Mr. Mapes says in his letter that the Assistant Secretary of the Treasury Department has notified him officially that the department will advertise for bids for the Holland building not later than August 15. Plans for the postoffice building are now in the computing division where specifications are being prepared. Mr. Mapes adds that this statement is definite and unequivocal.

## ANYONE CAUGHT FURNISHING LIQUOR TO PEOPLE ON BLACK LIST WILL BE SEVERELY DEALT WITH

The police department has commenced war on the men in the habit of furnishing liquor to people on the black list, and if any are caught violating this law they will be punished to the full extent of the law.

People are placed on the black list by a member of their own family or some one who is deeply interested in their welfare, and for another to break this barrier to liquor is an offense punishable by fine and imprisonment.

Common drunkards will also be dealt with in a severe manner and when arrested will be placed under the habitual act and on their third offense will be given a trip to the State prison.

## COUNTRY PREACHER HAS A GRUDGE AGAINST WATER

Jasper S. Hughes, living near Jenison Park, better known as the "Country Parson" was arrested Tuesday on complaint of S. W. Miller charged with maliciously destroying some Macatawa Park water mains. When arraigned before Justice Miles Mr. Hughes stood mute and a plea of not guilty was entered for him. He furnished bonds of \$200 with Peter F. Boone as security and was released pending his trial to be held Friday afternoon in the City Hall.

Hughes claimed that the Park association had cut off the water from his home and that himself and family suffered from want of it. It is charged that he set out with an axe to destroy the whole water system at the Park and succeeded in destroying some mains. Mr. Miller claimed that Hughes was a trespasser and that very probably an investigation would be made to determine as to the man's insanity.

## A MOST INTERESTING AND CHEAP WAY TO HAVE A BASE BALL CIRCUIT FOR HOLLAND

DOUGLAS MAN WOULD HAVE THIS CITY JOIN IN

It is possible that before long Holland may again be in a base ball league. At least that is the plan being boosted by Ben Weigen of Douglas. It is Weigen's idea that Holland, Fennville, Douglas and Zeeland could club together and form an independent base ball league that would furnish all kinds of excitement to the people of these respective cities as well as profit to the players. Weigen is talking the thing over with the fans in the various cities and believes that he can start an effective league.

## YEARS' WORK OF SCHOOL FOR CHRISTIAN INSTRUCTION TO END THIS EVENING

This evening the year's work of the local school for Christian instruction will come to a close when the annual graduating exercises will be held in the Central Avenue Christian Reformed church. Under the superintendency of Prof. B. J. Benink the year in the school has been a successful one and the exercises of tomorrow night are looked forward to with pleasant anticipation. The public is invited to the exercises. The principal address of the evening will be delivered by the Rev. R. Kuiper Overisel.

## WESLEYAN CHURCH CALLS PUBLIC MEETING

There will be a meeting held in the Wesleyan Methodist church, corner of Pine and 17th street, June 24th at 7:30 p. m. This meeting will be a family gathering of all the christians, regardless of creed or denomination who have the welfare of the children and young people of Holland at heart.

By order of W. M. Pastor and People.

WHAT YOU SAW IN THIS PAPER  
THIRTY FIVE YEARS AGO

Mr. A. Helder is building a new resident on Eleventh street.

The brushwork at Lincoln Park, Chicago, under the supervision of R. Kanter & Son, is progressing beautifully. Some 400 feet have been successfully sunk. The general view of the work is beginning to reap more and more, applause from the inhabitants of that part of the city. The favorable weather, so far, has assisted the contractors to a considerable extent. We shall give a more detailed account of the progress of the work in a few weeks.

Sailors! what might have terminated in a sad catastrophe, is now a good joke to tell on a sailor. On Saturday evening last, at a late hour, a captain of one of our schooners, residing on the north side of Black Lake, started on his lonely trip to scull his yawl across Black Lake, as he had done so many times before. But it happened to be very foggy, and the fog was so thick that the captain took some pains to find his bearings and to take a true start. What little breeze there was stirring seemed to be from the northeastward so that our old "salty" took the breeze on his right cheek, and started for the north shore. Now before we go ahead, you must bear in mind, that that little breeze felt very cool on the blushed cheek of the captain, for he had been in the hot debate all the evening and had come away a little excited. Well, he started for the north shore, scull ed in a semi circle. The wind shifting in the mean time to the west, and he stranded his boat on the south shore, just east of the point near Anderson's ship-yard; but the captain did not know at that time where he was, and waited until day break to solve the mystery. The captain blushed a little when he told this on himself, and said, such is "a life on the Ocean wave," (Black Lake.)

## THIRTY YEARS AGO

Last Saturday the pupils of the High School presented an elegant silver card receiver to Miss Nellie Walker as a token of their friendship and appreciation of her work as teacher in our Public School. In the evening Miss Walker entertained the pupils at her home on Eighth Street.

Prof. G. J. Kollen, of this city, will deliver the oration at the celebration of the Fourth of July in Overisel.

## TWENTY FIVE YEARS AGO

Orrin Clark, aged eleven years, son of Martin Clark, of this city was killed last Monday afternoon about 5 o'clock by the fast train on the C. & W. railway.

He was on the Grand Haven railroad bridge, north of this place, fishing, in company with one other boy. They were about 600 feet from the north end. When the boys saw the train coming from the north one of them crawled under the bridge, but Orrin was afraid and began running south to save himself. When two hundred feet from the boy, the engineer saw him and immediately reversed his engine and applied the air brakes, but the boy stumbled and fell, the pilot of the engine striking and throwing him in the middle of the track. The engine and one coach passed over him before the train stopped.

Isaac Verwey the Editor of De Grondwet, died at 6 o'clock last evening at his home in this city. He had been ailing for nearly six months and for the past eight weeks was unable to devote himself to his work.

In the death of Mr. Verweg this community loses a true gentleman, an able scholar and a fine journalist. He has been identified with this city for many years and during what time has taken honest pride in the advancement of the city of his adoption.

Many expressions of grief were heard when the news of his death was announced. The pioneer residents of Holland realized that they lost another one of the old friends that had stood by their side sharing their burdens, and at all times ready to give his pen influence to the upbuilding of the material interest of their city.

#### Proposed Vacating of Part of East Twenty-second Street

Holland Mich, June 8, 1914.

Resolved, That the Common Council of the City of Holland deems it advisable to vacate, discontinue and abolish that part of East Twenty-second street in the City of Holland, which lies between the north and south lines of said street, west of the right of way of the Pere Marquette Railroad, and lying east of a line commencing at the southeast corner of lot numbered ten (10), in Block numbered six (6), of Prospect Park Addition to the City of Holland, and running thence south to the south line of said east twenty-second street; and further,

Resolved, That the Common Council of the City of Holland, will meet in the Common Council Rooms, in the City Hall, in the said City of Holland, on Wednesday, the fifteenth day of July, A. D. 1914, at 7:30 o'clock P. M. of said day, to hear any objections to the vacating, discontinuing and abolishing of said part of east twenty-second street, as herein set forth.

By order of the Common Council.

#### Proposed Improvement of East Twenty-second Street Special Street Assessment

District

Clerk's Office,

Holland, Mich., June 23, 1914

Notice is Hereby Given, That the Common Council of the City of Holland, has caused to be made and deposited with the City Clerk for examination, the profile, diagram specifications, and estimate of cost of grading Twenty-second Street between Columbia and Central Avenues, pursuant to grade and profile to be adopted in connection with the proposed improvement.

That the whole of the cost and expense of said work and improvement be defrayed by special assessment upon the lots and lands or parts of lots and lands abutting upon said part of said Twenty-second Street provided, however, that the cost of improving street intersections on said part of said street be assessed against the City of Holland and paid from the General Street fund of the city.

That the lots, lands and premises upon which said special assessment shall be levied shall include all the lots, lands and premises abutting upon said part of said street; also the street intersections where said street may intersect other streets all of which said lots lands and premises as herein set forth, to be designated and declared to constitute a special street district for the purpose of special assessment to defray the cost and expense of grading and otherwise improving said part of said street in the manner hereinbefore set forth, said district to be known and designated as the East Twenty-second Street special street assessment district in the City of Holland.

That on Wednesday, the Fifteenth day of July, 1914, at 7:30 o'clock p. m. the Common Council will meet at their rooms to consider any objections or suggestions that may be made to said assessment district, and to the improvement, estimates, plans and profile.

Proposed Improvement of North River Avenue

Notice is hereby given, that at a meeting of the Common Council of the City of Holland held Wednesday June 3, 1914 the following resolutions were adopted.

Resolved, that River Avenue between the north line of Fourth Street and the so called Grand Haven Bridge, be improved and paved with Asphaltic Macadam pavement on a six inch Macadam foundation, and that such paving and improvement shall include the construction of the necessary curbing, gutters, man-holes, catch basins and approaches in said portion of said street, said improvement being considered a necessary public improvement; that such paving be done in accordance with the plans, diagrams and profile of the work, prepared by the City Engineer and now on file in the office of the City Clerk; that the cost and expense of constructing such pavement, with the necessary curbing, gutters, man-holes, catch-basins and approaches as aforesaid be paid partly from the General Street fund of the city, and partly by special assessment upon the lands, to premises abutting upon that part of River Avenue between the north line of Fourth Street and the so called Grand Haven Bridge, as follows:

Total estimated cost of paving and improvement, including cost of sui-

veys, plans assessment, and cost of construction, 11,242.68; that the entire amount of 11,242.68 be defrayed by special assessment upon the lots and lands or parts of lots and lands abutting upon said part of River Avenue, according to the provisions of the city charter; provided however, that the cost of improving the street intersections where said part of River Avenue intersects other streets be paid from the General Street fund of the city; that the lands, lots and premises upon which said special assessment shall be levied shall include all the lands, lots and premises abutting on said part of said street in the city of Holland; also the street intersection sections where said part of River Avenue intersects other streets; all of which lots, lands and premises as herein set forth, to be designated and declared to constitute a special assessment district, to defray that part of the cost of paving and improving part of River Avenue in the manner hereinbefore set forth, said district to be known and designated as the "North River Avenue paving special assessment district" in the City of Holland.

Resolved, that the profile, diagram plans, plans and estimate of cost of the proposed paving of River Avenue between the North line of Fourth Street and the so called Grand Haven Bridge, be deposited in the office of the Clerk for public examination, and that the Clerk be instructed to give notice thereof, of the proposed improvement and of the district to be assessed therefor, by publishing notice of the same for two weeks, and that Wednesday the first day of July A. D. 1914 at 7:30 o'clock p. m. be and is hereby determined as the time when the council will meet at the council rooms to consider any suggestions or objections that may be made to said assessment district, improvement, diagram, profile and estimate of cost.

Whereas, default has been made in the payment of the money secured by a mortgage dated March 13, 1909, executed by Carl F. Buchmann and Annie R. Buchmann, his wife of the township of Holland, Ottawa County Michigan to George H. Souter and Don Johnston as executors of the estate of Robert E. Johnston, deceased, of Township of Holland, County of Ottawa and State of Michigan, which said mortgage was recorded in the office of the register of deeds of the county of Ottawa, in Liber 76 of mortgages on page 418, on the 26th day of March in the year 1909 at 8:30 o'clock A. M.; and whereas the said mortgage has been duly assigned by the said George H. Souter and Don Johnston, as executors of the estate of Robert E. Johnston, deceased to Don Johnston, as trustee of the estate of Robert E. Johnston, deceased by assignment bearing date the 5th day of August in the year 1909, and recorded in the office of the register of deeds of the said county of Ottawa, on the 10th day of August 1909 at 3 o'clock P. M. in Liber 77 of mortgages on page 449 and the same is now owned by him; And whereas the amount claimed to be due on said mortgage at the date of this notice is the sum of Six hundred dollars of principal, and the further sum of twenty-five dollars as an attorney fee stipulated for in said mortgage, and which is the whole amount claimed to be unpaid on said mortgage, and no suit or proceeding having been instituted at law to recover the debt now remaining secured by said mortgage, or any part thereof, whereby the power of sale contained in said mortgage has become operative.

Now, therefore, notice is hereby given, that by virtue of the said power of sale, and in pursuance of the statute in such case made and provided, the said mortgage will be foreclosed by a sale of the premises therein described, at public auction, to the highest bidder, at the front door of the court house in the city of Grand Haven, in said county of Ottawa, on the 7th day of August next, at three o'clock in the afternoon of that day; which said premises are described in said mortgage as follows, to-wit: all of the southwest quarter (S. W. 1/4) of the northeast quarter (N. E. 1/4) of section ten (10) township five (5) north of range sixteen (16) west, containing forty (40) acres of land more or less, in the township of Holland, Ottawa County, Michigan.

# CHAMP CLARK NAMED AFTER FRENCH TRADER, AND ALSO HILL ON KALAMAZOO RIVER NEAR SAUGATUCK ROAD

Bushong on the Stream of "Boiling Kettles" Was Trading Post for French and Indian Traders.

The Allegan Gazette in referring to a meeting of the D. A. R. held in Allegan gives the following interesting history:

Referring in last Saturday's D. A. R. meeting to the French trader who nearly a hundred years ago used to meet the Indians on the Kalamazoo river bank where the Saugatuck road first meets the stream, reminds that his name is not always correctly pronounced and never correctly spelled. He is generally spoken of, and so is the hill which is all that perpetuates his name, as Bushong. The spelling that would correctly give the pronunciation of his name were account placed upon the last syllable is Boshong. The right spelling is Beauchamp, which is a historical French name. This was the name his parents gave Speaker Clark of the National house of representatives; but he had the misfortune to live in Missouri where nothing so aristocratic would be tolerated in politics, so he deliberately abbreviated his name into Champ and made the pronunciation as plebeian as possible. It is a mystery why a man who could do this could object, as Clark did, to the "houn dawg" song that was started to exalt him into the presidency.

## INDIAN MOUNDS IN IONIA COUNTY BELIEVED TO MARK SPOT WHERE GIANT RACE MADE ITS FINAL STAND

Muir, Mich., June 25.—That this village, and three hills which overlook the junction of the Maple and Grand rivers, were the scene of a great—probably the final—struggle between a race of more civilized men and the American Indians is the opinion which scientists have advanced following recent excavations and discoveries here.

When the first white settlers came to this section in 1833, the Indians showed them some remarkable mounds which resembled huge ditches and moats, surrounding a high hill, now known as Arthurberg hill. The Indians were unable to explain how they came to be there; but said there was a legend that white giants had built them.

Their true significance was little understood till a few months ago.

As Muir is situated midway on the old Indian trail from Detroit to Muskegon and Grand Haven, once the principal Indian highway across the state, it has many places near it of interest from the standpoint of the men interested in the Redmen.

Several collectors have searched the scenes of the ancient judgment camp and the stone canoe landings built long ago, for arrows, tomahawks and fire stones. They found an abundance of the crude chipped stone implements.

Several times they came upon a different sort of a weapon, plowed up by some farmer—a weapon which was not chipped out, but carefully smoothed, ground, and polished, in a way the Indians did not usually work. They resembled the tools of the mound builders. In one or two instances copper plates and hatchets, corroded by age, were turned up.

Word of the matter came to the university of Michigan, and a professor and a number of students went down to Muir to one of the three hills, and dug up a skeleton. The skeleton was of a man seven feet tall. His face was not of the type of the recent Indian, but more like the mound builders.

What has happened to this race which left such a mark on the landscape? Several theories have been advanced. The most probable seems to be that these were the last of the mound builders, whose wonderful work in Ohio and the southwest is so well known. This race was composed of powerful industrious, but not warlike men, according to the Smithsonian reports. Later, the more warlike Indians appeared, possibly from Asia by way of the Aleutian Islands.

These Indians it has been surmised, were the second division of Huns, who left for the east, so the legend of the Tartars says, at the same time Attila went west to prove the terror of Greek and Roman peoples.

Like the Scourge of God, this eastern branch descended on the mound builders, who fled before them. Wise men of the race at length led the people to the high hills of the Grand River valley to make a last stand. It is the theory that here they reared great trenchments intending to build fortified walls, but before their plans were completed, the furious invaders swept upon them and exterminated them, or drove them to some other field of battle where the end came.

When the Grand Trunk railway straightened its right-of-way a few years ago, a deep gash was made in the side of Arthurberg hill, and remnants of bones, pieces of copper, and polished and chipped arrowheads, in great numbers, were found.

City Clerk Richard Overweg and City Treasurer Herman Vanden Brink were in Grand Rapids on business today.

## FIGHTING AT GETTYSBURG WAS GOOD RISK COMPARED TO BRING MODERN BABY, ASSERTS DR. HOLM

State Bacteriologist Says "Occupation-Infant" Is One Of Most Hazardous Anybody Ever Tried

That fond mothers' "bad" habits have a big influence on the mortality rate of infants is the declaration of Dr. M. L. Holm, state bacteriologist. That the diseases of infants are due largely to the things which babies are permitted to put into their mouths after these things have rolled on the floors of railroad stations, theaters, etc., is also asserted. Dr. Holm is decidedly against the "pacifier," teething rings and a new brand of sweet biscuit recently sold for the supposed pacification of infants.

Dr. Holm says: "Being a baby is a very hazardous occupation. Statistical records show that it was less dangerous to be a soldier, in the battle of Gettysburg than to be a baby in the twentieth century."

"In Michigan alone more than 8,000 babies die every year. More than half die of preventable causes. Infectious diseases are responsible for about 2,000 deaths every year among children under two years of age. Most of the infections in children occur through the mouth. Careless friends persist in handling a baby with their street gloves or soiled hands, or give him things that have been exposed to various conditions."

"Ignorant mothers pick up baby's pacifiers, toys, etc., from the sidewalks or other public places and return them to the baby. Everything that goes to the baby goes into the baby's mouth."

From 3 to 5 per cent of typhoid patients become typhoid carriers, about 1 per cent of normal individuals carry latent germs of diphtheria, and probably scarlet fever and measles. One out of every 300 persons is spreading tuberculosis and fully 75 per cent of all adults carry the germs of pneumonia in the secretions of the mouth. In addition carriers of influenza, whooping cough, meningitis and smallpox without symptoms are by no means infrequent.

"To all these the innocent baby, unprotected by previously acquired immunity, is highly susceptible."

The seating capacity of the tent is 1000 and the price of admission is ten cents to all.

## CRYSTAL RIVER, FLORIDA. (By G. Van Anrooy)

Frederick Van Roy left Sunday morning for the north to visit in Detroit, Holland and other cities. He will combine business with pleasure.

Rev. W. J. Frost gave the editor of the Crystal River News a horse-whipping last Saturday morning for insulting his daughter.

Mr. and Mrs. G. Van Anrooy and three daughters visited Mr. and Mrs. C. Bouman at their country home, Sunday, and were royally entertained. Water melons and peaches were served. Mr. Bouman has a nice farm and has an abundance of all kinds of vegetables and fruit and other farm products. Mr. Bouman has lived on his farm 36 years.

Baum and Van Roy Crate Co. have finished shipping tomato carriers in Florida and are shipping some crates to New York and New Jersey at present. They have begun to make orange crates for next season's crop which will be very large. Mr. G. Van Anrooy formerly of Holland will have charge of the mill again for the next year.

Frederick Van Roy dropped out of the race for the legislature on account of too much business.

Crystal River will have electric lights in the near future. An Electric company has been organized and Baum-VanRoy Crate Co., will furnish the electricity.

Crystal River Presbyterian Sunday school observed Children's Day June 14. The little folks done fine. The Baptist Sunday school had their children's day exercises on June 20.

The Earnest Workers of the Presbyterian church gave a chicken supper last Saturday evening.

Harry De Boer, formerly of Zeeland is taking care of Baum-Van Roy's home during their stay in the north. He has been in their employ since coming here from Zeeland.

## GRAAFSCHAP

They say Holland is wet again. But it is wet all over at present it wasn't a snap this time from Holland to East Saugatuck, the water was so high in places that it covered the road in five or six places. A number of bridges were also washed out. There is plenty of moisture for the low land farmers and to spare.

Henry Strabbing the hillside farmer intends to buy an automobile. Henry Sagers went to Allegan Monday morning on business.

Benjamin Sagers sold one of his best cows last week at a very satisfactory figure.

Johanna Jongekryg who has been employed in Chicago all last winter is home again to help on the farm.

## INSISTENCE OF THE TELEPHONE

Commenting on the fact that however inaccessible a business man may be to callers, he will generally answer the telephone,—Electricity Monthly magazine says that the explanation is a very simple one. There is an element of mystery about a telephone call. The called party never knows until he actually responds whether or not the caller is a person of importance or has something of vital import to communicate.

It is just a matter of luck, and your average business man, no matter how deep he may be in the conduct of his affairs with others actually present, will almost invariably break off the most important personal conversation to answer a telephone call.

Electricity overlooks the fact that the ring which calls him becomes an annoying if not stopped by answering.

## VICTOR L. PALMER GOES TO LEAVENWORTH

Accompanied by United States Marshal Whelan and Ben Mulder, the latter a guard, Victor L. Palmer sentenced to serve two years in the federal prison at Ft. Leavenworth for misuse of the U. S. mails, left Friday for the prison and thus brot to a close one of the most sensational bits of high finance attempted in recent years.

Smarting under the disgrace and embarrassment of having guards accompany him on the train, the former secretary-treasurer of the defunct Kalamazoo Buggy company requested District Attorney Bowman to be allowed to go to Ft. Leavenworth unaccompanied. The request was promptly denied, however, because similar requests had been refused in the past was not wished to set such a precedent.

## TWO SAFES CRACKED AT ZEE-LAND BUT ROBBERS GET VERY LITTLE MONEY

A. De Krulff, Rief-Vanden Bosch Co. and De Jonge & De Free Victims of Jimmy Men.

Three stores in Zeeland were broken into some time between Thursday night and Friday morning but all the robbers got for their pains was a little loose change, so small in amount that it is practically negligible. The stores broken into are the drug store of A. De Krulff, the grocery and dry goods store of Rief & Vanden Bosch and the furniture store of De Jonge and De Free.

The robbers got nothing in the Rief & Vanden Bosch store. De Jonge & De Free lost a little money and De Krulff lost what was in the till at the time. In the De Krulff store the safe was untouched. In the other two places the safes were cracked and the loss to the merchants will be a loss entailed in the repairing of the safe rather than in losing actual cash.

In each case entrance was secured to the stores through the back windows. The robbers seem to have worked quite deliberately, but evidently they had picked out the stores where there was little actual cash to be secured. From the safes of Rief-Vanden Bosch and De Jonge & De Free they took the cash boxes and carried them to the barns back of the stores. There they were found this morning. It happened that there was no cash in the safe of the Rief-Vanden Bosch store, but some insurance papers that were of value to the company. These papers were however, of no value to the robbers and they were found scattered on the floor of the barn.

Sheriff Dykhuis was immediately notified and a force of deputies was put on the job to try to trace the robbers. Surrounding cities have also been notified and the police of western Michigan are on the lookout for suspects.

## CONTINUE SEARCH FOR NIGHT ROBBERS

Not As Yet Able To Locate Presumed Home Talent Thieves; Most Of Valuable Paper Recovered

## WRONG ON FIRST SUSPICIONS

Since the robbery of four places of business in Zeeland Thursday night, presumably by local talent, the sheriff's department has as yet made no headway in running down the thieves. It was first thought that there would be little trouble in locating the guilty ones. The Zeeland authorities and Sheriff Dykhuis are continuing the hunt.

From the unlocked safes of the Vanden Bosch and De Young stores the cash boxes were carried out into the barns at the rear and rifled of their contents. In most of the cases, valuable papers and insurance policies were found scattered about the barn floor, which were recovered.

This is the first robbery reported in Zeeland for some time.
